OFSTED 'GOOD' 2017

1.10.20

Dear Parents & Carers,

While we are doing everything we can to maintain a Covid-secure environment, we also have clear plans in place should we have any positive cases in our school or Nursery.

If we are informed of a positive test result we will inform Public Health Somerset in order to discuss our next steps. If we are advised to inform one class and to close this 'bubble' we will contact you by text, email and put the information onto the website. We will put signs up at the school and send letters to everyone.

If we are informed at the weekend or in the evening we will still text you all and place a notice on the website. PLEASE ENSURE WE HAVE YOUR UP TO DATE CONTACT TELEPHONE NUMBER AT ALL TIMES.

Even if you receive a positive test result at the weekend or in the evening, we still need you to tell us straight away. **You can email this information to the school email address (see above)** at any time so that we are able to make the safest response for everyone as soon as possible.

We will always do our best to give you as much notice as possible if your child's class is to be closed. However, please be aware that there may be very little notice if we are informed late at night or in the morning, and we would ask you to be understanding of this.

Please do continue to call us when your child is unwell as we can help you make decisions around whether you may need to book a test and isolate.

We will now endeavour to provide a pack of work for every child who has to isolate because their class has been closed or because they are unable to get a test.

Many thanks for your continued support – we really do appreciate it!

Vanessa May
