

## Values of our Curriculum

Reckleford school builds learning confidence and enquiring minds.

Our curriculum is designed to enable children to achieve our aims. We will ensure their progress and support parents to help their children in this early stage of education.

The basis for all our topics is to build aspiration for the future of all our children.

These values are at the core of our curriculum and integral to all experiences offered to our learners.

- Respect
- Equality
- Tolerance
- Tradition
- Aspiration
- Creativity
- Progress
- Democracy
